

Travel Behavioral Contract

I, _____, do agree to the following guidelines and expectations. These rules will apply for both before and on tour expectations.

- A. Punctuality will be essential, especially for morning departures and tours.
- B. Neatness and cleanliness –for myself, as well as my hotel room and tour bus – is expected.
- C. Excessive noise, especially in hotel halls and especially at night, is inconsiderate and unacceptable.
- D. Curfew will be respected, this could vary from 9:30 p.m. to 11:00 p.m., depending on the current day's events and also the next day's schedule. All curfews are at the discretion of Mrs. Deremer.
- E. Rooming assignments will be respected. If necessitated, I will let Mrs. Deremer know of any issues regarding rooming arrangements.
- F. Listening to instructions and tour guide explanations will be important to follow.
- G. No members of the opposite gender are allowed in student hotel rooms. Students may visit in the hotel lobby before curfew.
- H. No illicit drugs, smoking, vaping or drinking alcohol. The leaders, chaperones and EF Tour Director will be strict on this issue. **Any breach of this expectation will result in being sent home at the parents' expense.**
- I. All scheduled program activities are required.
- J. All students MUST travel in groups of at LEAST three or more.
- K. I will respect and cooperate with my teacher, Mrs. Deremer, chaperones, and the EF Tour Director.
- L. I recognize that the above rules are incomplete; general school rules, as well as common sense, prevail at all times.
- M. I am fully aware of the fact that this **IS NOT** a school sponsored trip. This trip will be taking place during the summer, which is outside of the school calendar year; therefore, this is an independently sponsored trip.

*I understand that I am a representative of my community, and I intend to honor, as well as, to validate the trust that my parent (s) and Mrs. Deremer have accorded me in allowing me this exciting travel opportunity.
